Government of India  
Ministry of New and Renewable Energy

Confederation of Indian Industry

The Ministry of New and Renewable Energy (MNRE), Government of India is organising the **2nd Global RE-INVEST India-ISA Partnership** Renewable Energy Investors Meet & Expo from **3-5 October 2018** at the **India Expo Centre, Greater Noida, National Capital Region of Delhi**.

The **2nd Global RE-INVEST** will host the **First Assembly of International Solar Alliance (ISA)** and the **Meeting of the Energy Ministers of Indian Ocean Rim Association (IORA)** countries.

India today is the world's largest clean energy market, with exponentially increasing demand and supply and proactive policy support, including 100% foreign investment in renewable energy development.

RE-INVEST is a global platform to explore strategies for development and deployment of renewables. It showcases India's clean energy market and the Government's efforts to scale up capacity to meet the national energy demand in socially, economically and ecologically sustainable ways.

The **2nd Global RE-INVEST** will build upon the success of RE-INVEST 2015 and provide an international forum to established players as well as new segments of investors and entrepreneurs to engage, ideate and innovate.
