

INVITATION TO MEDIA HOUSES TO PARTNER WITH RE-INVEST 2019

National and international Media Houses, trade journals and publication divisions of international events are invited to partner with 3rd Global Renewable Energy Investors Meet & Expo (RE-INVEST 2019), coinciding with 2nd Assembly of the International Solar Alliance, to be held at IEML Greater Noida, India.

RE-INVEST 2019 aims at accelerating the global efforts to promote the deployment of renewable energy, and bringing together the international investment community with key sectoral and policy stakeholders. The tremendous response that REINVEST 2018 garnered is a testimony of international interest RE leadership of India has generated across the globe. Taking the same sentiment ahead, REINVEST 2019 is planned. This year, activities would include conferences, seminars and side events on various themes of renewables, an exhibition of manufacturers, project developers, service providers, etc. to showcase their capabilities, technologies, financing options and investment opportunities, along with the 2nd Assembly of the ISA. Apart from this, the event will be abuzz with various activities involving the youth and new influencers in this field. The event is expected to host more than 70 international delegations and more than 50,000 participants this year.

Media houses from all over the world are requested to contribute in India's renewable energy journey by covering the global event extensively.

The Partnership may entail covering the event appropriately in print and digital publications, featuring articles on different aspects of renewables in India and India's global leadership in RE sector, providing social media amplification, and sharing REINVEST collateral with more and more stakeholders through their in-house database.

The Partnership is invited on **Pro Bono basis** and no financial assistance or payment will be made on this account to Media Partners either by MNRE or any other organisation affiliated to the Ministry. A committee constituted by the Steering Committee of RE-INVEST will assess these proposals through a transparent process based on the value each proposal will offer in terms of publicising this event across the globe. The last date to submit applications is **16 August 2019**. The final decision will be conveyed to the organisations on **21 August 2019**.

To know more about the event, please visit: <https://re-invest.in>

Expression of interest may kindly be sent by **16 August 2019** to
